The reports of the Board of Selectmen, Town Treasurer, Board of Education and Tax Collector, required by Section 69c of the 1935 Cumulative Supplement to the General Statutes have been prepared by us for the various officials.

The Town of Thompson does not maintain its bookkeeping records in double entry form; therefore, statements of assets and liabilities contained herein have been prepared by us from values developed from various sources as a result of our examination.

In conformity with the requirements of Section 1105 of the General Statutes of the State of Connecticut, Revision of 1930, a copy of this report will be forwarded to the State Tax Commissioner, Mr. Charles J. McLaughlin.

Very truly yours,

HADFIELD, ROTHWELL, SOULE & COATES,

Certified Public Accountants.

Hartford, Connecticut,  
September 8, 1939.

---

CERTIFICATE

---

IN ACCORDANCE WITH THE REQUIREMENTS OF CHAPTER 19 OF THE PUBLIC ACTS OF THE STATE OF CONNECTICUT, CUMULATIVE SUPPLEMENT TO THE GENERAL STATUTES, JANUARY SESSION, 1931, CONCERNING TOWN AUDITORS AND TOWN REPORTS.

Charles F. Coates, being duly sworn, deposes and says that he is a Certified Public Accountant of the State of Connecticut and a general partner of the firm of Hadfield, Rothwell, Soule & Coates, Certified Public Accountants, with offices in Hartford and Stamford, Connecticut;

That an examination of the financial transactions recorded in the books and records of the Town of Thompson for the fiscal year ended August 15, 1939 has been made by that firm under his direction;

That the Town of Thompson does not maintain its bookkeeping records in double entry form;

That in this report on such examination, no values have been stated with respect to town real property and equipment nor are any such values recorded in the town bookkeeping records;

That this report on such examination is based on recorded cash receipts with respect to indirect revenues from miscellaneous sources, amounts received and receivable in the case of property taxes and old age assistance taxes and liabilities have been recorded for appropriations continued in force into the subsequent fiscal year;

That the accounting records and other supporting evidence were examined or tested and information and explanations were obtained from officials; a general review was made of the transactions of the various funds for the fiscal year, but a detailed audit was not made of all transactions. Uncollected property taxes were not completely verified by correspondence with taxpayers, but a random test was made by forwarding 76 requests to taxpayers for confirmation, all of which had not yet been returned at the date of this report;

Accordingly, in his opinion and to the best of his knowledge and belief based upon such examination, the appended Exhibits captioned "A" to "E" and Schedules captioned "1" to "2" accompanied by explanatory comments and recommendations, present fairly, in accordance with recognized principles of accounting, the financial condition as of August 15, 1939 of the various funds of the Town of Thompson and the results of operations for the fiscal year ended on that date.

CHARLES F. COATES,  
Certified Public Accountant.

Subscribed and sworn to before me this 8th day  
of September, 1939.

PALMIRA L. COTE,  
Notary Public.

## Comments on the Examination

### Resumé of Fiscal Year Transactions:

Appropriations available for expenditure for the fiscal year ended August 15, 1939, as voted at duly called town meetings held prior and subsequent to the voting of the tax rate and as continued from the prior year, were as follows:

#### Current Fiscal Year Appropriations:

Voted down to date of current tax levy \$156,179.26

Voted subsequent to date of current  
tax levy 14,878.77

Total \$171,058.03

Transfers from continued prior year  
appropriations 7,250.00

**Total, per Exhibit "E" of this report \$178,308.03**

A tax rate of 38 mills on net taxable assessments of \$2,890,149.00, payable April 1, 1939, was voted at the adjourned annual town meeting on March 9, 1939. Subsequent to voting the tax rate for the prior fiscal year, additional appropriations for that year were voted as follows:

Special town meeting, March 3, 1938 (following adjourned town meeting)	\$ 3,500.00
Special town meeting, March 22, 1938	17,700.00
Special town meeting, May 18, 1938	2,720.00
Special town meeting, June 2, 1938	500.00
Special town meeting, July 14, 1938	7,000.00
<b>Total</b>	<b>\$31,420.00</b>

In the report for the prior year, these additional appropriations, for which no tax revenues were provided during that year, were charged against general fund surplus or deficit account, resulting in a general fund deficit as of August 15, 1938 of \$10,189.67. In preparing the budget for the current year, the Board of Selectmen estimated revenues to finance appropriations, including prior year appropriations voted after the tax levy for that year, as follows:

From miscellaneous sources	\$ 74,067.20
From old age assistance taxes	8,500.00
From property taxes	109,825.15
<b>Total</b>	<b><u><u>\$192.392.35</u></u></b>

After applying these estimated revenues to the liquidation of appropriations voted subsequent to the tax levy in the prior year and an amount of \$5,000.00 to pay off a portion of the W.P.A. bridge indebtedness, there was a balance of \$155,972.35 to finance current year appropriations down to the date of the tax levy of \$156,179.26, or an insufficient amount of \$206.91.

Subsequent to voting the property tax rate, additional appropriations were voted at special town meetings as follows:

April 27, 1939, per Exhibit "E"	\$ 9,528.77
July 6, 1939, per Exhibit "E"	5,350.00
<b>Total</b>	<b><u><u>\$14,878.77</u></u></b>

We understand that it is intended to include the additional appropriations, voted subsequent to the tax

levy, in the budget for the ensuing fiscal year. The budget for each year should constitute a complete financial plan for the year and, except in cases of emergency, additional appropriations subsequent to the tax levy should not be voted. The additional appropriations voted for the current year subsequent to the tax levy were of a nature that could have been included in the appropriations voted at the town meeting in October 1938 and, if appropriations at that time had constituted a complete financial plan for the year, additional appropriations after the tax levy would not have been necessary.

A summary of property taxes collected and outstanding for the past three fiscal years is presented for comparison, as follows:

Fiscal Year Ended	Uncollected Taxes Beginning of Year	Collections	Other Net Credits	Uncollected Taxes End of Yr.
<b>August 15, 1937:</b>				
Back lists	22,896.59	9,305.89	+884.87	14,475.57
Current list	89,489.17	77,105.71	212.56	12,170.90
<b>Totals</b>	<b>112,385.76</b>	<b>86,411.60</b>	<b>+672.31</b>	<b>26,646.47</b>

<b>August 15, 1938:</b>				
Back lists	26,646.47	10,888.72	288.01	15,469.74
Current list	91,352.26	77,869.45	436.25	13,046.56
<b>Totals</b>	<b>117,998.73</b>	<b>88,758.17</b>	<b>724.26</b>	<b>28,516.30</b>

<b>August 15, 1939:</b>				
Back lists	28,516.30	9,931.75	319.17	18,265.38
Current list	109,837.31	93,729.96	380.56	15,726.79
<b>Totals</b>	<b>138,353.61</b>	<b>103,661.71</b>	<b>699.73</b>	<b>33,992.17</b>

Collections for the year on all lists fell short of the amount due on the current list which resulted in an increase in uncollected property taxes for the year, as follows:

Uncollected Property Taxes:

August 15, 1939 \$33,992.17

August 15, 1938 28,516.30

<b>Increase</b>	<b>\$ 5,475.87</b>
-----------------	--------------------

A comparison of budgeted estimated revenues with actual revenues, showing the amounts collected during the year and remaining to be collected follows:

Source	Budgeted Estimates	Actual	Collected	Non- Cash Credits	Balance to be Collected
Direct Revenues:					
Property taxes, list					
of 1938	109,825.15	109,837.31	93,729.96	380.56	15,726.79
Old age assistance taxes, list					
of 1938	8,500.00	9,195.00	7,869.00	849.00	477.00
Indirect Revenues:					
Miscellane- ous sources, per Exhibit "C"	74,067.20	72,432.13	72,432.13		
<b>Totals</b>	<b>192,392.35</b>	<b>191,464.44</b>	<b>174,031.09</b>	<b>1,229.56</b>	<b>16,203.79</b>

## Add—Other Collections:

Appropriation refunds	90.32
Overcollection of property taxes	3.26
Received from State of Connecticut on P.W.A. Docket #1239, repaid to State	7,310.42
Total	181,435.09

Add—Collections of revenues  
during current year provided to  
finance prior year budgets:

Property taxes	9,931.75
Old age assistance taxes	171.00

Total Collections of Prior Year Revenues	10,102.75
---	-----------

**Total Cash Receipts from  
Revenue Sources,  
per Exhibit "D"****191,537.84**

Cash disbursements for revenue purposes during the fiscal year were as follows:

Purpose	Budgeted Estimates	Net Expenditures
Expenditures Against Appropriations:		
Current year	178,308.03	177,666.92
Prior years	29,433.29	28,961.50
Add payment to State, P.W.A. Docket #1239		7,310.42
<b>Total Revenue Disbursements</b>		<b>\$213,938.84</b>

It will be noted from the foregoing that the actual revenues were short of budgeted revenues in the

amount of \$927.91 and, of the actual revenues, an amount of \$16,203.79 remains to be collected. Uncollectible and charged off property and old age assistance taxes totaled \$1,229.56, for which no provision was made in the budget.

On a cash basis, revenue disbursements were in excess of revenue receipts, as follows:

Total disbursements against current year appropriations	177,666.92	
Add—payment to State, P.W.A.		
Docket No. 1239	7,310.42	
Total	184,977.34	
Less—collections of current year revenues	181,435.09	
Excess of Current Year Disbursements Over Receipts		3,542.25
Total disbursements against prior year appropriations	28,961.50	
Less—total collections during current year of prior year revenues	10,102.75	
Excess of Disbursements Over Collections Applicable to Prior Year Items		18,858.75
Excess of Disbursements Over Receipts During Fiscal Year		<u><u>22,401.00</u></u>

Cash to pay this excess of disbursements was provided as follows:

Cash balances, August 15, 1938:

General Fund	18,314.50	
Tourtellotte Fund	11,890.33	30,204.83
		<hr/>

Cash balances, August 15, 1939:

General Fund	10,168.58	
Tourtellotte Fund	2,635.25	12,803.83
Decrease in General Fund	<hr/>	<hr/>
Cash Balance		17,401.00

Add—amount raised to pay one-fifth of W.P.A. bridge note,  
but not yet paid

5,000.00

**Total**

**22,401.00**

In Schedule "2" of this report is set forth the changes in General Fund surplus during the fiscal year based on taxes receivable, although not yet fully collected, and cash collections from miscellaneous sources, which resulted in a net gain for the year of \$12,552.00.

The general fund deficit as of August 15, 1938 of \$10,189.67 was changed into a surplus of \$3,362.33 as of August 15, 1939. Considerable progress was made during the year in improving the financial condition of the town. However, there has been a substantial increase in uncollected taxes which totaled \$34,646.17 as of August 15, 1939 and general fund notes payable at the end of the year amounted to \$65,000.00.

**EXHIBIT "A" — GENERAL FUND****Cash on Deposit:**

Cash on deposit in The Cargill Trust Company, Putnam, Connecticut, as of August 15, 1939 was as follows:

Town account	10,168.58
Tourtellotte Fund account	2,635.25

---

**Total, per Exhibit "A" 12,803.83**

---

Of the balance of \$10,168.58 shown above in the Town account \$5,000.00 was committed to the first installment payment of W.P.A. bridges note, due December 1, 1939. Balances were confirmed to us in writing by the depository and the amounts so reported reconciled with the amounts shown in Exhibits "A" and "D" of this report. Total cash receipts and disbursements recorded by the town treasurer were reconciled with total deposits and withdrawals per bank statements for the fiscal year.

**Uncollected Property and Old Age Assistance Taxes:**

Uncollected taxes as of August 15, 1939 were as follows:

Property	33,992.17
Old age assistance	654.00

---

**Total 34,646.17**

---

Uncollected balances at the beginning and end of the fiscal year, together with cash collections, additions and deductions, segregated as to yearly lists, are shown in Schedule "1" of this report.

As set forth in Schedule "1," the tax collector was charged with all uncollected taxes on the various

lists at the beginning of the fiscal year, plus the total of the rate bill for the list of 1938 which became due and payable during the year, and with additions and corrections to the various rate bills. He was credited with abatements and corrections of taxes as authorized by the Board of Selectmen and Board of Assessors, and with total amount of collections remitted to the town treasurer, leaving balances at the close of the year representing uncollected taxes on each list. The tax collector furnished us with a list of uncollected taxes as of the close of the fiscal year drawn from the various rate bills, which lists were checked against the various rate bills and refooted. The items comprising these lists, with the exception of taxes on the list of 1938, which are not yet one year delinquent, appear in Schedule "1a".

Confirmation of a selected portion of uncollected taxes by correspondence with seventy-six taxpayers was attempted. At the date of writing of this report, fifteen replies had been received but no discrepancies were disclosed. In addition to the above, five confirmations were returned for incorrect address, unclaimed, unknown, etc. The wording of the letters was such that the taxpayers, although failing to respond, admit liability for the items and it thus appears that the items have not yet been collected. Strenuous efforts to collect outstanding taxes should be made.

#### **Anticipated Revenues from Taxation to Finance Appropriations for New Bridges:**

Anticipated revenues from future taxation were reduced during the fiscal year as follows:

Original appropriation	27,280.49
------------------------	-----------

## Financed during the year:

From taxation	5,000.00	
From general fund surplus	2,280.49	7,280.49
		<hr/>
<b>Balance, per Exhibit "A"</b>		<b><u>20,000.00</u></b>

Anticipated revenues have not been recorded to finance other appropriations voted at special town meetings held subsequent to the voting of the tax levy on March 9, 1939, inasmuch as the votes for said appropriations did not state the means of financing same. It is likely, however, that, following previous practice, these additional appropriations will be included in the appropriations section of the budget for the ensuing year.

**Temporary Loans:**

Notes issued in anticipation of taxes already levied and still to be levied were confirmed directly to us in writing by the holders thereof, as follows:

Name of Holder	Date of Note	Maturity Date	Amount
Citizens National Bank of Putnam, Connecticut	Dec. 1, 1938	Dec. 1, 1939	\$25,000.00 (1)
Graham Parsons & Company, Boston, Massachusetts	Jun. 15, 1939	May 5, 1940	20,000.00
J. P. Marto & Company, Boston, Massachusetts	Aug 1, 1939	May 5, 1940	20,000.00
			<hr/>
<b>Total</b>			<b><u>\$65,000.00</u></b>

(1) \$5,000.00 matures annually for the next five years.

**Appropriations Continued in Force:**

According to information furnished us appropriations have been continued in force, as shown in Exhibit "E," in the amount of \$84.41. It is suggested that such action be recorded in minutes of a meeting of the Selectmen.

**Overcollections of Property Taxes:**

This amount represents two small overcollections of property taxes by the tax collector which has been remitted to the town treasurer. It is understood that refunds will be made to the taxpayers.

**General Fund Surplus:**

An analysis of changes in general fund deficit for the fiscal year under review is presented in Schedule "2" of this report.

**EXHIBIT "B"****Trust Funds:**

In Exhibit "B" is presented a statement of the following trust funds as of August 15, 1939:

Cemetery Trust Funds  
Town Deposit Fund  
Lansing Small Fund

All of the above funds were deposited in savings accounts at interest. Savings account passbooks in evidence thereof were examined by us, except those of the Norwich Savings Society which are being held by the bank.

Balances on deposit were verified by correspondence with the depositaries.

Investments of the Tourtellotte High School Fund are administered by The Hartford-Connecticut Trust Company, Hartford, Connecticut, and the Rhode Island Hospital Trust Company, Providence, Rhode Island, as trustees. The investments of the funds were not examined by us as the town is entitled only to the income therefrom as turned over by the trustees. The Tourtellotte Fund Income Account bank balance has been considered as belonging to the General Fund, because of transfers from the General Fund not repaid on account of the insufficiency of the Tourtellotte Fund income, to fully meet high school expenditures.

### **EXHIBIT "C"**

#### **Comparison of Estimated and Actual Revenues:**

A comparative statement of estimated and actual revenues for the fiscal year is presented in Exhibit "C," showing a net deficit of actuals under estimated revenues of \$927.91.

### **EXHIBIT "D"**

#### **Report of Treasurer:**

In this exhibit is presented an analysis of cash receipts and disbursements of the town treasurer for the fiscal year, segregated by funds.

Cash receipts were traced from the sources thereof so far as the records would permit. Receipts from the State Treasurer, State Comptroller and State Board of Education were confirmed directly to us in writing by those departments, but down to the date of this report no reply has been received to our requests for confirmation addressed to the Commissioner of Child Welfare.

Invoices supporting disbursements were test-checked and those checked were in order.

### **EXHIBIT "E"**

#### **Comparison of Appropriations and Expenditures:**

In this exhibit is presented a comparison of appropriations and expenditures, including refunds and resultant over and unexpended and continued appropriations balances.

### **SCHEDULES "1", "1a", "1b" and "2"**

#### **Miscellaneous Schedules:**

Schedules "1", "1a" and "1b" comprise the report of the Tax Collector, George W. Lachapelle, with supporting sub-schedules.

Schedule "2" presents a summary of changes in General Fund Surplus for the year.

**Surety Bonds:**

Surety bonds were on file as follows:

Principal and Surety	Amount	Expiration Date
Town Officers:		
George W. Lachapelle, Tax Collector, The Aetna Casualty & Surety Company	\$11,000.00	October 4, 1939
Joseph A. Archambault, Town Clerk and Treasurer, The Aetna Casualty & Surety Company	16,000.00	October 4, 1939
Laurenda Ravenelle, Assistant Town Clerk, The Aetna Casualty & Surety Company	1,000.00	October 4, 1939
Constables:		
George Basley, Alida Basley	1,000.00	Term of office
Norbert Blain, Jeannette Courtemanche	1,000.00	Term of office
Theodore Chaput, The Aetna Casualty & Surety Co.	1,000.00	Term of office
James A. Maitland, George W. Walker	1,000.00	Term of office
Andrew Rosene, Hannah Rosene	1,000.00	Term of office
George Theodorus, Spiro Talabac	1,000.00	Term of office
Louis Lamoureux, Daniel W. Cunningham	1,000.00	Term of office

## EXHIBIT A

## \*High Honors

The five honor student were elected  
to the National Honor Society.

To the School Committee and Citizens of Thompson :

At the close of my first school year in the Town of Thompson, I herewith submit a report of the schools for the school year 1938-1939. Since I have made various reports to the school committee during the school year, and the townspeople know generally our school policy, I shall confine myself in this report to a few of the more general features of school work. I think that the year as a whole has been a progressive one, and that the school children of the town have advanced themselves very well educationally during the school year. Genuine interest in school work has been manifested everywhere. The parents and Board of Education have been extremely cooperative and the school children in the grades and in the high school have displayed an unusual understanding of school requirements, and seem to have benefited greatly by the methods of the teachers. The teachers have worked diligently and enthusiastically. I wish to thank the Board of Education, the teachers, and the parents for their cooperation.

I wish also to continue to encourage the close cooperation between the home and the school. The parents' educational problems are the teachers' educational problems; obviously best results are obtained when parents and teachers try to solve these problems with mutual understanding.

To all the citizens of the town who are interested in education I extend a most cordial invitation for your support and your cooperation. I know that nothing touches our community more deeply, nothing affects it more profoundly than education. Education is not alone the concern of the Board of Education, or of the Superintendent of Schools, or of the teachers. It is indeed the concern of all the citizens of the town.

**Encouragements Toward Study:**

There can be no doubt in the minds of those who have studied school problems that one of the greatest things that the school has to offer to students is to teach them how to study. There are many who do not agree with this point of view, but I feel sure, after years of experience in educational work, that the ability to study is one of the greatest assets that a student can acquire. It helps him solve his present problems, it enables him to adjust himself to life, and it gives him confidence in approaching the problems of later life. How to study, in my judgment, is more important than the subject matter itself. Basically, it is one of the big secrets of success. If one acquires in school the ability to study, one will not need to have fear in approaching any subject whatsoever. Unless one acquires this ability to study, one can never master any of the serious difficulties of college life, of business life or of industrial life.

Since teaching children how to study is so important a function of the school, it follows that much attention must be given by the teacher to this vital subject. Teachers have been directed to use all possible means to interest children to acquire the proper study habits, and encourage their proper reading habits. Children are directed how to use books to the greatest advantage, how to look up subjects in indexes and encyclopedias, how to make out summaries, how to write reports, how to talk correctly, how to present their thoughts orderly and logically.

Teachers realize the importance of this great task of teaching children how to study and bend every effort to achieve the best results. In the gradual development of the aims they encourage proper speech, proper construction of sentences, proper use of dictionaries

atlases, and encyclopedias. They teach children how to read books well and to tell the substance of the books.

I should say that one of the best ways that a parent may help the school teachers in their aim to teach children how to study, is to encourage study at home. It is well to have a quiet room in which children may study. It is well to have proper desks and lighting facilities, and it is most important that the parent's attitude toward the school should be most wholesome. The child's progress in school work is frequently set back by the hostility of parents to school teachers and school subjects.

Parents must constantly keep in mind that children are most sensitive toward parent's reactions. If the atmosphere in the home is conducive to study the child will make progress. If, on the other hand, the atmosphere is not conducive to study the child may be injured for life in his study habits.

Great care has been exercised in the purchase of books, manuals, and study helps. They have all been scrutinized to see whether or not they are properly graded to the intelligence of the children, whether they are psychologically and educationally correct. I feel sure that the full cooperation of the parents and teachers in the work of preparing and reciting the school day lessons is most necessary.

### **Teaching Staff:**

During the school year of 1938-1939, a number of changes in the teaching staff occurred. Miss Emily Chubbuck, teacher of Junior High English, was married at Christmas time, and resigned. Her place was not filled, as several teachers were given increased teaching loads, and thus, the Town of Thompson was saved the

salary of Miss Chubbuck for the rest of the school year. The teacher of English, Mr. Michael J. Ambrose, who had been in service here for several years, was offered a very important and lucrative position with the United States Government as Inspector of Claims in the Department of Commerce. The successor of Mr. Ambrose is Miss Daisy Stewart of Vermont. Miss Stewart has had a great many years of experience as teacher of English in some of the best high schools in New England. Due to the fact that the seventh grade was removed from the high school building to the elementary buildings, Miss Margaret B. Higgins was not reemployed for the school year 1939-1940. Miss Grace O'Donnell was not reemployed because of the return of Miss Helen R. Mack to the position of Domestic Science teacher of Tourtellotte Memorial High School. At the close of the school year, Miss Alva Cunningham, teacher of commercial subjects, was offered an increase of salary at Bethel, Conn., and handed in her resignation. Her successor is Miss Florence Palmer of Malden, Mass. Miss Palmer has also had several years of valuable teaching experience in commercial subjects. Mr. Parker M. Green, who taught the classes in Manual Training, Mechanical Drawing, Science and Mathematics in the Junior High School, received an offer of a considerable increase in salary from Bristol High School, and accepted the offer. Mr. Green's successor is Mr. Stephen S. Leszuk, graduate of Fitchburg Mass., State Teachers College.

In the grade schools it was necessary to drop one teacher. The registration in the Mechanicsville School dropped down from 36 to 20. Consequently, it was necessary to close one room and to dispose of the services of one teacher. The teacher was Miss Margaret Toohey, who taught in the schools of Thompson for a number of years.

**Domestic Science Department:**

This school year, two thirds of the salary of the Domestic Science teacher will be paid by the State of Connecticut. In the past the entire salary was paid by the Town of Thompson. To secure the help of the State, several things were necessary. In the first place, it was necessary to remodel the Domestic Science room itself. Some of the old equipment has been discarded and many new things have been added. Previously there was but one sink. Now there are five sinks. Arrangements have also been made so that groups of four or five pupils can work together more advantageously. The room is now arranged in what is known as cubicles, a most suitable arrangement.

The second thing necessary to secure the State aid was the allotting of the proper amount of time to the subject by the students who selected it. Domestic Science is compulsory for girls in the Freshman and Sophomore classes in the high school who do not take the college course. The students who take the college course do not take it because it would be impossible to work in their course requirements, if they did take it. There must be recitations by the Domestic Science students two periods a day for five days a week. The necessary arrangements in this respect have been met, and the course is in full operation at the present time.

The third requirement set up by the State is the proper certification of the teacher. This has been fully met by the appointment of Miss Helen R. Mack.

It is our intention to try to remodel the sewing room next year so that we shall have the sewing department thoroughly modernized also.

**Commercial Department:**

During the summer it was possible to change the commercial department from room 10 on the third floor to room 7 on the second floor. This was made possible because of the removal of the seventh grade students to the elementary schools. The new commercial room has better light and much better ventilation. It should afford better accommodations, because there was always a great defect in the old room on the third floor in the matter of light and ventilation. On the warm days of the school year, it was necessary frequently to have the children move the typewriters to cooler spots in the school building. This was a matter of great inconvenience particularly to the students.

Room 12, on the third floor, which was vacated by the Agricultural Department, has been fitted up as an office practice room. This is another feature that has been made possible by having more space to work in. In the office practice room the students will have instructions in genuine office procedure. A full course has been planned for the entire year. Commercial students in the senior year will be given training on the use of machines and office appliances and in the proper method of filing. The equipment in this room is by no means sufficient and it is definitely planned to add the necessary equipment from year to year. To make it function to its fullest, the addition of a dictaphone, a calculator, and possibly a bookkeeping machine is necessary. In this office practice room arrangements have been made for the Press Club to meet and prepare the material for the school paper. The Press Club will also use the mimeograph in this department whenever necessary.

**Seventh Grade:**

For many years the Tourtellotte Memorial High School has been seriously over-crowded, and this over-crowding tended to interfere with the best teaching results obtainable for the high school students. After much deliberation, the school committee decided to have the seventh grade pupils attend the elementary schools nearest their homes, thus giving the high school two rooms which had been used by the seventh grade pupils. It was possible to put the seventh grade back in the grade schools this year because there was a drop in the registration in the grades. A great many parents have expressed their satisfaction at having their children one year longer in the elementary schools. This move was made necessary because of the over-crowded condition of the high school, and it surely ought to result in an educational advantage for the children of the seventh grades.

**School Band:**

During the school year a school band of twenty-eight pieces was formed at the high school. The students purchased their own instruments. They received their instructions in the various instruments from Mr. Parker M. Green of the high school faculty, and were directed by him during one of the activity periods of the school week. The progress made by the band members was quite unusual. In three months time the band was about to give a public concert in which they did a very creditable piece of work. It is our hope that we shall be able to continue this year the good work of last year.

**School Auditorium Curtain:**

For a long time the stage in the auditorium has been in need of a new curtain. During the school year 1938-1939 the school curtain was purchased and was put

in place for the graduation in June. It adds materially to the appearance of the auditorium and will help greatly in plays and operettas, and other stage performances.

We not only secured a stage curtain but also an entire cyclorama for the stage. The cyclorama covered up all the bare spots. The entire project was made possible through three sources: the school fund which we had on hand, the operetta proceeds, and the largest fund came from the Board of Education.

Respectfully submitted,

Frank M. Buckley.

## REPORT OF SCHOOL NURSE

---

Wilsonville School 30 pupils examined

- 17 Underweights in the fall of 1938
- 9 Underweights in the spring of 1939
- 2 Impaired vision (1 strabismus)
- 7 Enlarged tonsils
- 2 Impaired hearing (20 tested)

Fabyan School 64 pupils examined

- 23 Underweights in the fall of 1938
- 8 Underweights in the spring of 1939
- 10 Impaired vision (1 strabismus) Glasses were fitted by Dr. Hall to one child; great improvement in school work.
- 11 Enlarged tonsils
- 3 Impaired hearing (40 tested)

North Grosvenordale School 87 pupils examined

- 35 Underweights in the fall of 1938
- 21 Underweights in the spring of 1939
- 3 Impaired vision (glasses were fitted to 1)
- 22 Enlarged tonsils
- 3 Impaired hearing (34 tested)

Grosvenordale School 24 pupils examined

- 8 Underweights in the fall of 1938
- 5 Underweights in the spring of 1939
- 5 Impaired vision (2 strabismus)  
(glasses fitted to one)
- 5 Enlarged tonsils
- 1 Impaired hearing (17 tested)

Mechanicsville School 32 pupils examined

- 5 Underweights in the fall of 1938
- 1 Underweight in the spring of 1939
- 3 Impaired vision (1 strabismus)
- 19 Enlarged tonsils
- 0 Impaired hearing (18 tested)

Thompson Hill School 81 pupils examined

- 31 Underweights in the fall of 1938
- 21 Underweights in the spring of 1939
- 7 Impaired vision
- 25 Enlarged tonsils
- 2 Impaired hearing (44 tested)

West Thompson School 33 pupils examined

- 14 Underweights in the fall of 1938
- 9 Underweights in the spring of 1939
- 3 Impaired vision
- 12 Enlarged tonsils
- 1 Impaired hearing (12 tested)

Tourtellotte Junior High School 111 pupils examined

- 24 Underweights
- 19 Impaired vision
- 22 Enlarged tonsils
- 1 Impaired hearing (106 tested)

Tourtellotte High School 174 pupils examined

- 51 Underweights
- 21 Impaired vision (3 strabismus)
- 20 Enlarged tonsils
- 2 Impaired hearing (117 tested)

Total:

- 636 Pupils examined
- 208 Underweight
- 73 Impaired vision
- 133 Enlarged tonsils
- 15 Impaired hearing

## ANNUAL REPORT OF HEALTH OFFICER

---

To the Selectmen of the Town of Thompson:

I hereby submit to you my second annual report as Health Officer of the Town of Thompson.

There were 66 cases of communicable diseases reported to me during the past year. Forty were Whooping Cough with two cases complicated by severe Pneumonia. Two were Mumps. Nineteen were Measles. We were fortunate in having no fatalities as the result of these communicable diseases. A few cases of Chicken Pox were also reported.

Ten nuisances were investigated.

There were no Diphtheria cases reported.

As a general rule the health of the community was excellent and the outlook for the coming year is also excellent.

Respectfully submitted,

JOSEPH L. ROY, M.D.

North Grosvenordale, Conn., Sept. 1, 1939.

## REPORT OF BOARD OF EDUCATION

---

To Mr. Frank M. Buckley, Superintendent:

I hereby submit my report as Secretary of the Thompson Board of Education for the year 1938-39.

In October, the Board reorganized, and elected Mr. Alexander Maitland as chairman. He appointed the following committees:

High School: Mr. Dartt, Mrs. Bonin and Mr. Maitland.

Elementary Schools: Messrs. Skedgell, Johnson and Ravenelle.

Transportation: Messrs. Johnson, Munyan and Ravenelle.

Teacherage: Mr. Dartt, Mrs. Bonin and Mr. Maitland.

The Board held 12 regular and three special meetings.

Due to the hurricane of Sept. 21, 1938, special committees were appointed:

Grade Schools: Messrs. Skedgell, Johnson and Ravenelle.

High School: Mr. Dartt, Mrs. Bonin and Mr. Maitland.

A special appropriation of \$16,700.00 was voted by the Town to cover expenses of hurricane damages.

Messrs. Lebeau and Ryan were engaged to repair the Grade Schools. Mr. Ceisla made extensive repairs at the High School with a guarantee for a period of five years.

A new stage curtain has been installed in the Auditorium, partly paid by funds raised by the students

Mr. Paul Rawson was given the contract to clean and paint No. 10 room, all the first floor and put a new ceiling in the boys' basement at the High School. The work is now all completed.

A new oil burner has been installed at the High School. It was imperative to do so, as the old burner was a fire hazard and a heavy expense for fuel oil.

The Teacherage was reopened with Mr. Pray in charge. Five teachers made their home during the year.

Mr. Joseph Garvais' five year contract for Transportation with a larger bus was accepted by the Board.

Mr. Buckley and Board have decided to discontinue the seventh grade at the High School and to distribute the children to their nearest respective schools. Thus, the congestion at our High School will be relieved, and enable our typing room to be removed from No. 10 room where they had to work under artificial light all day, to a well ventilated and bright class room.

A class room at Mechanicsville School was closed, due to the decrease of the number of attendants. Another English teacher was released at the High School. By so doing, without impairing the education of the children it will save a considerable sum of money to the Town, while the present conditions exist.

We also accepted the Smith-Hughes Act, in so doing the State will reimburse two-thirds of the Home Economics teacher's salary. Although compulsory

changes are required by the State, three years are given to the Town to complete the project and our department will compare with any school.

Through economy measure, the Board offered for sale the school houses at Brandy Hill, East Thompson, Quadic, Paine District and the remains of the Mechanicsville School.

Two teachers were hired to fill the vacancies at the High School. Miss Palmer for the commercial department and Miss Stewart as the English teacher. Both are experienced teachers with the highest recommendations.

The members of the Board of Education wish to thank Mr. Buckley and the parents who have cooperated so generously toward the success of the past scholastic year of 1938-39.

CAMILLE A. BONIN.

Secretary.

## Department of Agriculture

---

Mr. Frank M. Buckley,  
Superintendent of Schools,  
Thompson, Conn.

Dear Mr. Buckley:

In reporting a successful year in agriculture I wish to thank you for your kind personal interest and friendly cooperation. The Board of Education, teachers, parents, friends and town officials have also helped greatly in carrying through the agriculture program successfully. Messrs. Malboeuf and Sellig of the faculty have aided us with accounting and chemical problems respectively. Though not perhaps as fully equipped and housed as some of the other departments in the State, we are nevertheless gaining each year and will eventually measure up to the best in this respect. Our enrollment consists of boys interested in the subject of farming. The spirit of the group is excellent and the atmosphere in which we work very pleasant. Due to generous allowances for supplies the department will soon take its place with the best and most fully equipped in the State. As is usual in the agriculture work, dairying, poultry raising, part-time gardening and farm forestry engaged most of our school time. Our boys also study marketing problems.

Thompson Boards of Education have always looked upon the agriculture work in a friendly manner. In keeping with this, and due also to your personal interest, this year will see us with greatly improved facilities.

Thanking you for your interest,

Respectfully submitted,

HENRY J. DUNLEAVY.

## ANNUAL TOWN MEETING

---

THE LEGAL VOTERS OF DISTRICT NO. 1 IN THE TOWN OF THOMPSON ARE HEREBY WARNED TO MEET AT THE TOWN HALL ON THOMPSON HILL ON MONDAY, OCTOBER 2nd, 1939, AT NINE O'CLOCK A. M., AND THE LEGAL VOTERS OF DISTRICT NO. 2 ARE HEREBY WARNED TO MEET AT UNION HALL, NORTH GROSVENORDALE, ON THE DATE AND HOUR AFORESAID, TO ACT ON THE FOLLOWING ARTICLES:

ARTICLE 1. To elect by ballot the following officers: One Assessor for three years; one member of the Board of Tax Review for three years; three Selectmen; Town Clerk for two years; Town Treasurer for two years; six Grand Jurors; Collector of Taxes for two years; seven Constables; two Registrars of Voters; three members of the Board of Education for three years; one member of the Board of Education for one year.

ARTICLE 2. To hear the report of the Selectmen and act thereon.

ARTICLE 3. To hear the report of the Treasurer and act thereon.

ARTICLE 4. To hear the report of the Tax Collector and act thereon.

ARTICLE 5. To hear the report of the Board of Education and act thereon.

ARTICLE 6. To see if the Town will appropriate the sum of \$28,160 for the running expenses of the Grade Schools.

ARTICLE 7. To see if the Town will appropriate the sum of \$32,790 for the running expenses of the High School.

ARTICLE 8. To determine manner of repairing Highways and Bridges and make an appropriation of \$18,000 for same.

ARTICLE 9. To see if the Town will appropriate the sum of \$600.00 for Railings and Fences.

ARTICLE 10. To see if the Town will appropriate the sum of \$2,000 for Snow Removal.

ARTICLE 11. To see if the Town will appropriate the sum of \$4,500 for the running expenses of the Town Farm.

ARTICLE 12. To see if the Town will appropriate the sum of \$24,000 for Outside Poor.

ARTICLE 13. To see if the Town will appropriate the sum of \$1,600 for Insane Poor.

ARTICLE 14. To see if the Town will appropriate the sum of \$6,000 for Town Officers.

ARTICLE 15. To see if the Town will appropriate the sum of \$1,500 for Insurance and Surety Bonds.

ARTICLE 16. To see if the Town will appropriate the sum of \$5,000 for Miscellaneous Expenses.

ARTICLE 17 To see if the Town will appropriate a sum of money for the proper observance of Memorial Day.

ARTICLE 18. To see if the Town will appropriate the sum of \$225 for the Thompson Library.

ARTICLE 19. To see if the Town will authorize the Selectmen to borrow such sums of money as may be needed to pay the current expenses of the Town until the next annual meeting.

ARTICLE 20. To see if the Town will appropriate the sum of \$1,200 for Interest on temporary and special loans.

ARTICLE 21 To see if the Town will appropriate the sum of \$2,000 for Justice Court.

ARTICLE 22 To see if the Town will appropriate the sum of \$3,000 for County Tax.

ARTICLE 23. To see if the Town will appropriate the sum of \$2,000 State and Military Tax.

ARTICLE 24. To see if the Town will appropriate the sum of \$6,498.26 for Old Age Assistance Tax.

ARTICLE 25. To See if the Town will appropriate the sum of \$500 for the Thompson Fire House.

ARTICLE 26. To see if the Town will appropriate the sum of \$3,000 for W.P.A. road projects.

ARTICLE 27. To see if the Town will authorize the Selectmen to build a sidewalk from the Hose House to Paradis Store, and make an appropriation for the same.

ARTICLE 28. RESOLUTION:—Be it resolved that the Town of Thompson declares its intention to build or improve a section or sections of road or to build or improve a bridge or bridges under the provisions of the statutes relating to the State Aid roads, and the sum of 2,500.00 Dollars (Town's portion) or so much thereof as may be

required to pay the amount of the pro rata share of said town of the cost of such construction or improvement under the provisions of the appropriation allotted to the Highway Commissioner, is appropriated for such purpose, and the Town Treasurer is authorized and directed to pay said amount to the State at the times and in the manner provided by law. Resolved, that the Selectmen are authorized and directed to make application to the Highway Commissioner, in the manner provided by law, for allotment of \$10,000.00 (which includes State and Town share) for the construction or improvement of roads or bridges in this town under said laws and appropriations. The foregoing resolution was adopted at a town meeting legally warned and held on \_\_\_\_\_1939.

Attest:

\_\_\_\_\_Moderator.

\_\_\_\_\_Town Clerk.

ARTICLE 29. To see what action the Town will take regarding the Revaluation of property.

ARTICLE 30. To transact any other business proper to be done at said meeting. To elect any other officer required by law.

JOSEPH A. LAFONTAINE,  
AXEL SWANSON,  
THEODE DESILETS,  
Selectmen.

Dated at Thompson, Connecticut,  
September 20, 1939.
